

Academic Integrity

What is Academic Integrity?

Academic integrity means producing your own work and giving credit when using other people's ideas.

What is Plagiarism?

Plagiarism is using someone else's work and pretending it is your own—even if you change the wording or AI generated.

What is Cheating?

Cheating includes copying, collusion, using AI improperly, or gaining an unfair advantage.

Using AI Tools

Allowed:

1. Brainstorming ideas
2. Grammar and proofreading

Not Allowed:

1. Submitting AI-generated work as your own
2. Using AI in exams

How to Avoid Problems

1. Write in your own words
2. Keep drafts of your work
3. Reference all sources
4. Do not share your work
